

It is with immense pleasure that we would like to share, that under the guidance and leadership of our respected dean, Dr. Girish Thakur Sir, a team of four MBBS students, two from year 1 (Anatomy), and two from Year 2 (Microbiology), from Government Medical College, Jalgaon participated in the inter college quiz competition “Asclepiad”, held at Shree Bhausaheb hire Government Medical College, Dhule. A total of four teams participated in the competition and our students performed exceptionally well and secured the 2Nd position. Our team scored 260 points and the winner team scored 270 points. So it was a close fight. Our team performed excellently. So heartiest congratulations to them, and best wishes for their future endeavours.
